FWHS PTA MEETINGS

PROGRAMS & EVENTS

Caring from the Heart - Each year, the PTA and Warde family community come together to help support the many families within our school who are finding it increasingly harder to purchase gifts, provide new clothing for their children, and even serve three meals each day. PTA is reaching out once again to our incredibly generous and thoughtful WARDE community that would like to help and assist these families in any way possible.

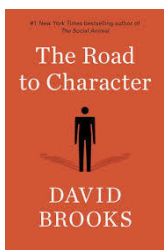

With this in mind, we are asking for donations of gift cards of any denomination. Cards from stores such as Target, Wal-Mart, Kohl's, Old Navy, Gap, TJMaxx, Marshalls, CVS, Walgreens, Rite-Aid, Bob's Stores, as well as from Stop & Shop, ShopRite, and Trader Joes would be best. There are many worthy causes throughout the year but the best one of all is to help out a member of the family.....especially our Warde family!

Last year's response was so overwhelming, the families were so very grateful. We are starting the collection now and earlier, for the immediate Thanksgiving holiday and then the holidays in December. If you can help and contribute with a gift card or two, please contact Gift Card Chairperson, [Suzanne Francis](#), so she knows it is coming. Please place your gift card donation(s) in an envelope with your name (if you so choose) on it and write "WARDE PTA - Caring from the Heart" on the front of the envelope, and drop it off at Warde's main office.

We will collect gift cards through Friday, December 16th.

Thank you so very much for your support and your kind gestures will and have not gone unnoticed for our Warde families in need or by the Warde staff, teachers and administrators.

Please feel free to share with, Alumni of Warde or other members of the community who may want to help out with any gift card donations as well.

The Fairfield PTA Book Group announces the selection of [The Road to Character](#) by David Brooks for Thanksgiving Break. [David Brooks](#) is an op-ed columnist for The New York Times and appears regularly on "PBS NewsHour," NPR's "All Things Considered" and NBC's "Meet the Press." He teaches at Yale University and is a member of the American Academy of Arts and Sciences. He is the bestselling author of *The Social Animal: The Hidden Sources of Love, Character, and Achievement*; *Bobos in Paradise: The New Upper Class and How They Got There*; and *On Paradise Drive: How We Live Now (And Always Have) in the Future Tense*. He has three children and lives in Maryland.

The [Brookings Institution](#) review of the Book states: "Being an 'honor roll' student or joining the 'honor society' is now a matter of Maths, not morals: 'In today's schools, the word "honor" means earning top grades.' Brooks is right: we do need to broaden our definition of merit, provide alternative sources of status and a greater plurality of paths towards them. Merit is not only a market good."

The [New York Times Sunday Book Review](#) on "The Road to Character" was published on April 20th, 2015.

A few copies of the book are available at the Fairfield Library, and it is available as hard cover, paper back or e-book online and in bookstores.

Please join us for a book discussion on Monday, December 5, 2016 from 6:30pm-8:30pm in the Memorial Room of the Fairfield Main Library.
